Do you understand?

You have to save us the money this time.

Yeah, yeah.

Seriously... the last time we gave you everything you started hanging out with them!

I get it.

Honestly, I'm getting really sick of this.

Why does everyone expect me to do everything?

Don't you dare think about stealing that money from me!

Huh?

SCAM

Ha-Hahaha did you fall for it?

You fool~

KISS~

Ha...

It seems like a lot of people are staring at me today.

Ah!

Hey! Gyeong, a lot of money?

Huh?

Heh

So that kid has a strange power... you've been cheating, haven't you?

W- we never cheated!

Yeah, we even had some guys tell us, but nothing came up.

Think about a life-strange. Everyone knows you earn at gambling.

Ahh...

Ugh...

Thanks to you we're alive.

Although with your strength it's not much, I can see how...

Don't go to a place like that ever again. It is dangerous.

Thank god nobody attacked us with swords.

Y-yeah. You saved us anyway.

I'll give some kind advice to that guy when I see him again...

Y-yeah.

So scary.

But I got a lot of money...

I think I can buy the ring now.

Quick! Leave my regrets behind

You're so cool

Y- yep... Prepare to get rejected... I won't leave my regrets behind...

Hey.

Cecil.

Do you have some spare time right now?

Master your love is extremely sad. Are you alright?

Oh yeah! You look absolutely!

Do you know me too...

Hello

Is that cause sure you want for a little bit? I have an important patient today.

Ack!

Important patient?

He is a friend of mine who was seriously wounded and was close to death.

He is now my benefactor.

He was poisoned.

By the poison of Gold Ivy Insect

But these days he still can't recover much, nor can he see well.

Ah... it's a familiar feeling to the one before.

She's sad I can feel her grief in my bones.

It's sorry I just found him screaming...

Awwwwh? Really?

And...

This unsure feeling... this is...

It was here born to me as of a skillful doctor... or because my parents were unmarried. He's slowly recovering.

I became a nurse to treat him better but I still have lots to learn...

Oh my

Young master...?

That's how I got rejected.

I said that I shouldn't have any regrets, but I run away from there as quickly as I could.

And...

Hey. I'm home servants here!

Stop laughing!

Ah. I'm sorry I just found him screaming...

Awwwwh? Really?

I've been in this business for a very long time.

But you are one of the nicest clients I have met

When you have a strong ability there is always a price to pay

Usually you don't know how to control or properly utilize it, so you end up destroying yourself.

Above all, I think I was scared of meeting other people's sadness

It's a way it made me feel guilty too...

Hearing to Jaime to There was extremely difficult

This power is beyond my capabilities

Where are you going?

I want to meet the 'witch' who gave you that power

eh...

It might feel lonely for a while but you will meet many amazing people

Thank you!

I hope that you have a safe journey, too...
